Dear Director,
Dear João,

On behalf of the ISF President, I have the honour to inform you that your application for the organisation of the ISF Handball event 2010 in Braga-Guimarães/Portugal has been accepted by the Executive Committee in its meeting at Sofia/Bulgaria on 1st December 2007.

According to the ISF rules and regulations a preliminary visit has to be made by the ISF delegate and the president of the Technical Commission concerned 12 months before the event at the latest to check the site and to properly prepare the event.

We will inform you after the Executive Committee meeting in October 2008 about who will make the visit, so you can contact them to arrange the journey.

We will send you the general requirements for the organisation of an ISF event and a communication guidebook in due time.

As future organiser you should send 1 or 2 observers to the event in 2008. The observers, who have to be members of the Organising Committee 2010, have to stay during the whole event. You have to bear the costs of their travel and stay (40 EUR per night).

We look forward to cooperate with you in the near future and we are convinced that with united forces we will be able to organise a successful ISF event in your country.

Sincerely yours,

Jan Coolen
Secretary General
